CHIVALRY DESIGNS: **BAR CHAIRS**

Our custom-made bar chairs offer a unique blend of style and functionality, tailored specifically to meet a client's individual needs and preferences. These chairs are designed to fit the aesthetic and spatial requirements of the bar area, ensuring optimal comfort and visual appeal. The customization process involves selecting materials, finishes, colors, and designs that reflect the client's vision. Whether for a residential bar or a commercial setting, custom bar chairs provide a personalized touch, enhancing the overall ambiance and ensuring that the seating is both practical and aesthetically pleasing.

CHIVALRY DESIGNS: **DINNING TABLES**

Customized dining tables made of oak wood, superwood or stone provide a bespoke centerpiece for any dining space. These tables are crafted to meet the specific design preferences and functional needs of the client. Clients can choose from high-quality oak wood for a classic, durable option, or superwood for enhanced versatility and resilience. Each wood top table is painted in the client's preferred color, ensuring it perfectly matches their interior decor. This customization allows for a unique, personalized dining experience that combines both style and practicality, making every meal special.
